NEW PLANTS
OFFERED FOR THE FIRST TIME

See general list for description

Price \$1.00 each

Talinum okanoganense

✕ Penstemon Edithae

Gentiana saxicola

Claytonia nivalis

OUR NATIVE PLANTS are all nursery grown. We have the approval and recommendation of the National Wild Flower Preservation Society and the Washington State Society for the Conservation of Wild Flowers and Native Trees. Our seeds are fresh and our plants are guaranteed to be strong and healthy when they leave us. We cannot, however, guarantee your success in growing either plants or seeds since there are many causes of failure over which we have no control. We are glad to send planting instructions. We make a special effort to keep our nomenclature botanically correct and up to date. Our plants and seeds are true to name.

INSTRUCTIONS FOR ORDERING

1. Kindly send remittance with your order unless you have established credit with us.

2. Foreign orders will not be recognized unless accompanied by remittance in full, sent preferably by International Money Order.

3. We pay the postage on all seed orders.

4. When ordering plants add 10% of the total value of your order to cover shipping charges. If you prefer we will send the plants express collect.

5. Address all orders to

NATIVE SEEDS

(25 cents per packet)

Allium cernuum
Allium Douglasii
Anemone globosa
Anemone hudsoniana
Anemone occidentalis
Anemone parviflora
Antennaria lanata
Aquilegia formosa
Arbutus Menziesii
Arabis Lyallii
Arnica cordifolia
Aster foliaceus var. frondeus
Aster ledophyllus
Aster paucicapitatus
Aster pulchellus
Berberis nervosa
Berberis pumila
Camassia Howellii
Camassia Leichtlinii
Camassia Leichtlinii (white)
Campanula Piperi
Cimicifuga elata
Clematis columbiana
Clematis hirsutissima
Clematis ligusticifolia
Clintonia uniflora
Coptis laciniata
Cornus canadensis
Cornus Nuttallii
Cynoglossum grande
Delphinium columbianum
Delphinium glareosum
Delphinium Menziesii
Delphinium trolliifolium
Dicentra formosa
Dodecatheon Hendersonii
Dodecatheon Jefferyi
Dodecatheon pauciflorum
Dodecatheon poeticum
Draba Lemmonii
Draba incerta
Echinopanax horridum
Empetrum nigrum
Erigeron aureus
Erigeron Bloomeri
Erigeron filifolius
Erigeron hispidissimus
Erigeron Howellii
Erigeron Leibergii
Erigeron salsuginosus
Erigeron salsuginosus var.
 angustifolius
Erigeron speciosus
Erigeron trifidus
Eriophyllum lanatum
Erysimum torulosum
Erythronium giganteum
Fritillaria lanceolata
Gaultheria humifusa
Gaultheria Shallon
Gentiana sceptrum
Gentiana saxicola sp. nov.
Geranium oreganum
Geranium viscosissimum
Geum campanulatum
Geum ciliatum

Geum depressum
Geum macrophyllum
Geum Peckii (from Vermont)
Gormaniana Watsonii
Grindelia oregana
Haplopappus Lyallii
Hedysarum occidentale
Harrimanella stelleriana (Cassiope)
Heuchera chlorantha
Heuchera glabella
Heuchera glabra
Heuchera micrantha
Heuchera ovalifolia
Heuchera ovalifolia var. *alpina*
Heuchera racemosa
Hosackia bicolor
Iris Douglasiana
Iris Douglasiana (dwarf)
Iris Gormanii
Iris innominata (lavender)
Iris innominata (yellow)
Iris missouriensis
Iris tenax
Leptarrhena amplexifolia
Lewisia rupicola sp. nov.
Lewisia rediviva
Lewisia Howellii
Luetkea pectinata
Lilium columbianum
Lilium Washingtonianum
Linum Lewisii
Lonicera involucrata
Lupinus bicolor
Lupinus Lyallii
Mimulus Lewisii
Mitella Breweri
Nephrophyllidium crista-galli
Pedicularis bracteosa
Penstemon adamsianus
Penstemon albertinus
Penstemon Barrettae
Penstemon cinereus
Penstemon Davidsonii
Penstemon ellipticus
Penstemon euglaucus
Penstemon Cardwellii
Penstemon deustus
Penstemon diffusus
Penstemon fruticosus
Penstemon glaber
Penstemon Menziesii
Penstemon nemoralis
Penstemon ovatus
Penstemon pinetorum
Penstemon Richardsonii
Penstemon rupicola
Penstemon speciosus
Penstemon Tolmiei
Penstemon Tolmiei (white)
Penstemon variabilis
Penstemon venustus
Phacelia sericea
Phlox longifolia
Phyllodoce empetrifolia
Plantago macrocarpa
Plantago Purshii
Polemonium amoenum
Polemonium carneum
Polemonium elegans
Polemonium occidentale
Polemonium parvifolium

Potentilla Blaschkeana
Potentilla cascadiensis
Potentilla Drummondii
Potentilla flabellifolia
Potentilla fruticosa var. *tenuifolia*
Potentilla gracile
Potentilla pacifica
Potentilla Wrangelliana
Prunus emarginata
Pseudotsuga taxifolia
Purshia tridentata
Ranunculus alismaefolius
Ranunculus occidentalis
Ranunculus orthorhynchus
Rhodiola integrifolia
Rhododendron albiflorum
Rhododendron californicum
Ribes aureum
Ribes cereum (pink)
Ribes sanguineum
Romanzoffia sitchensis
Rubus macropetalus
Rubus nivalis
Rubus parviflorus
Rubus pedatus
Rubus spectabilis
Sambucus leiosperma
Saxifraga peltata
Saxifraga rufidula
Saxifraga Tolmiei
Sedum stenopetalum
Sedum spathulifolium
Senecio Flettii
Senecio pseud aureus
Sidalcea campestre
Sidalcea Hendersonii
Silene Scouleri
Silene Suksdorfii
Sisyrinchium birameum
Sisyrinchium californicum
Sisyrinchium Douglasii
Sisyrinchium inflatum
Solidago algida
Spiraea Hendersonii
Streptopus amplexifolius
Streptopus streptopoides
Synthyris lanuginosa
Synthyris reniformis var. *major*
Synthyris rotundifolia
Synthyris rotundifolia (large fld.)
Synthyris stellata
Synthyris stellata (white)
Synthyris Sweetseri
Talinum okanoganense sp. nov.
Tellima grandiflora
Thalictrum purpurascens
Therofon elatum
Thlaspi alpestre
Tiarella trifoliata
Tiarella unifoliata
Tolmiea Menziesii
Tofieldia occidentalis
Trillium chloropetalum
Trillium ovatum
Vaccinium ovatum
Valeriana sitchensis
Vancouveria hexandra
Veronica Cusickii
Veronica Wormskjoldii
Viola adunca
Viola rugulosa

NEW AND RECENT PLANT INTRODUCTIONS FROM THE NORTHWESTERN STATES

The plants listed here include many of the rarest and most choice members of our alpine and low-land flora.

<i>Anemone Drummondii</i> . 4 in.; fls. 1 in., cream with blue reverse	\$0.50
<i>Caltha asarifolia</i> . 10 in.; bog plant; fl. large, yellow50
<i>Campanula Piperi</i> . 3 in.; alpine; leaves holly-like; fls. blue	1.00
<i>Campanula scabella</i> . 2 in.; rare alpine; fls. purple, erect75
<i>Clematis hirsutissima</i> . 1 ft.; fls. purple-blue, nodding	1.00
<i>Claytonia nivalis</i> sp. nov. 2 in.; similar to <i>Lewisia</i> ; fl. deep pink; leaves spatulate, in dense rosette	1.00
<i>Delphinium glareosum</i> . 6 in.; fls. blue to purple; choice alpine50
<i>Dicentra oregana</i> . 10-12 in.; fls. cream; leaves gray-green50
<i>Douglasia laevigata</i> (large-fl.). An exceptionally choice strain; fls. deep pink on 2-in. stems.....	.75
<i>Draba incerta</i> . 2 in.; fls. bright yellow; new and rare50
<i>Draba lonchocarpa</i> . 1 in.; fls. white; densely tufted25
<i>Draba ruaxes</i> . 1-2 in.; densely tufted; fls. bright yellow; a rare new species.....	.50
<i>Dryas octopetala</i> (native). Prostrate evergreen shrub; fls. white35
<i>Erigeron aureus</i> . 3 in.; fls. golden yellow; choice alpine35
<i>Erigeron filifolius</i> . 4 in.; fls. golden yellow; choice35
<i>Erysimum torulosum</i> . 4-6 in.; fls. yellow; alpine..	.25
<i>Gaultheria humifusa</i> . 1-3 in.; procumbent evergreen; fls. white, fruit red.....	.50
<i>Gentiana saxicola</i> sp. nov. 6-10 in.; rare new rock-loving subalpine; fls. large, deep blue; especially choice	1.00
<i>Geum campanulatum</i> . 6 in.; fls. red, urn-shaped; choice alpine50
<i>Geum depressum</i> . 3 in.; fls. large, golden yellow; exceedingly rare alpine	1.00
<i>Haplopappus Lyallii</i> . 3 in.; fls. bright yellow; high alpine50
<i>Hedysarum occidentale</i> . 12 in.; fls. rose-pink.....	.50
<i>Heuchera glabra</i> . 6 in.; fls. white in lacy sprays....	.35
<i>Heuchera ovalifolia</i> , var. <i>alpina</i> . 4 in.; fls. cream; choice alpine35
<i>Heuchera racemosa</i> . 5 in.; fls. cream; alpine.....	.50
<i>Iris innominata</i> (yellow). 8-10 in.; fls. deep golden yellow	1.50
<i>Iris Innominata</i> (lavender). 10-12 in.; fls. lavender to purple75
<i>Juniperus communis</i> , var. <i>montana</i> . Dwarf, prostrate shrub50
<i>Larix Lyallii</i> . A rare, handsome alpine tree; ornamental	1.00
<i>Ledum glandulosum</i> . 2-3 ft.; evergreen; fls. white..	.75
<i>Leptarrhena ampliifolia</i> . 6-8 in.; fls. white.....	.50
<i>Leptotaenia purpurea</i> . 8-12 in.; fls. violet-purple; foliage lovely gray, minutely divided.....	.50
<i>Lewisia rupicola</i> sp. nov. 5 in.; fls. deep rose; easy culture50
<i>Lomatium utriculatum</i> . 6 in.; fls. golden yellow.....	.25

<i>Mertensia platyphylla</i> . 1 ft.; fls. blue.....	.35
<i>Nephrophyllidium crista-galli</i> . 6-8 in.; a rare bog-plant with deep green foliage; fls. white.....	.50
× <i>Penstemon Edithae</i> . 6-8 in.; a lovely, new hybrid; shrubby; fls. red; foliage gray-green.....	1.00
<i>Parnassia Intermedia</i> . 6-8 in.; petals fringed; fls. white, showy50
<i>Phlox condensata</i> , subsp. <i>Hendersoni</i> . Cespitose; fls. white; one of the loveliest of the mossy phloxes; a rare alpine75
<i>Phlox lanceolata</i> . 10 in.; shrubby; fls. white.....	.75
<i>Phlox longifolia</i> . 4-5 in.; fls. pink.....	.75
<i>Phlox rigida</i> . Cespitose; fls. white to lavender.....	.50
<i>Polystichum Andersonii</i> . Rare and beautiful fern; fronds 1-2 ft.75
<i>Polystichum Lemmonii</i> . 6-8 in.; rare and exquisite rock fern75
<i>Ranunculus alismaefolius</i> . 6-8 in.; fls. yellow, showy50
<i>Rhododendron albiflorum</i> . 3-4 ft.; deciduous shrub; fls. white	1.00
<i>Ribes Lobbii</i> . Fuchsia-flowered Gooseberry. 2-4 ft. shrub; fls. maroon and white.....	1.50
<i>Saxifraga peltata</i> . Perhaps the largest of this genus; fl. stems 2 ft.; fls. pink, in large heads; leaves peltate75
<i>Saxifraga oppositifolia</i> (native). Cespitose; fls. rose	1.00
<i>Sedum integrifolium</i> . 4 in.; fls. deep red.....	.50
<i>Sedum rupicola</i> . 3 in.; fls. yellow; a newly described sp.50
<i>Senecio canus</i> . 4-5 in.; fls. yellow; leaves gray.....	.35
<i>Senecio ovalis</i> . 2-3 in.; fls. solitary, bright yellow; alpine50
<i>Smelowskia calycina</i> . Alpine Cress. 3-5 in.; fls. white; alpine50
<i>Smelowskia ovalis</i> . Similar to above.....	.50
<i>Solidago algida</i> . 4 in.; fls. golden; a choice alpine..	.25
<i>Solidago bellidifolia</i> . 1-2 in.; fls. golden; a tiny alpine25
<i>Spiraea cinerascens</i> . 3-5 in.; rock-loving; fls. white; rare	1.00
<i>Synthyris lanuginosa</i> . 2-3 in.; fls. deep purple-blue; foliage lovely gray; rare alpine.....	.50
<i>Synthyris reniformis</i> . 6-8 in.; fls. deep blue.....	.50
<i>Synthyris reniformis</i> , var. <i>major</i> . 8-10 in.; fls. deep blue; rare75
<i>Synthyris schizantha</i> . 4-6 in.; fls. violet-blue; petals fringed; both rare and beautiful.....	.75
<i>Synthyris stellata</i> . 4-6 in.; fls. deep blue; choice and early blooming; recently named.....	.50
<i>Synthyris stellata</i> (white). Fls. white.....	1.00
<i>Synthyris rotundifolia</i> , var. <i>Sweetseri</i> . 3-4 in.; fls. deep purple-blue; early blooming.....	.50
<i>Talinum okanoganense</i> sp. nov. Exceedingly rare and beautiful rock-plant, recently discovered and named. Cespitose; foliage gray; fleshy; fls. white	1.00
<i>Tallnum spinescens</i> . 4-6 in.; cespitose; foliage fleshy; deciduous; fls. crimson-magenta. Choice for sun.25
<i>Tofieldia occidentalis</i> . 6-8 in.; tufted plant from the subalpine bogs; fls. white.....	.25
<i>Valeriana columbiana</i> . 6-8 in.; fls. cream; rare.....	.50
<i>Veronica Cusickii</i> . 3-4 in.; fls. deep blue; alpine..	.25
<i>Viola Flettii</i> . 2-4 in.; fls. reddish-violet; foliage resembling that of cyclamen. A rare alpine.....	.50

Flora of Mt. Baker

By

Dr. Harold St. John and Edith Hardin

Includes 334 species that grow on Mt. Baker, a typical northwestern snowcap of 10,750 feet elevation.

A descriptive, keyed flora, written in popular language but with scientific accuracy. Common names of plants are supplied. Eleven new plants are included. There are twenty-three illustrations.

Price 50 cents, postpaid.

Order from
Mrs. Edith Hardin English
10505 First Avenue N. W.
Seattle, Washington.
